Importance: High

I have been allowed to resume our mtgs. If there are others that should be included, please advise us.

To discuss updates on:

1. Website notice for release of LEAF methods 1314 and 1315? - Any day now.
2. Changes to User interface on LeachXS-Lite and embedded tutorials - SHC is determining if this is a priority for OSWER and is to move forward
3. Report on use of LEAF outputs for developing source terms - SHC is determining if this is a priority for OSWER and is to move forward
4. Status of field vs lab leachate data report : Have received all comments; working to revise for submittal into administrative review by middle of March
5. DAF update & memo for Alex re COPCs to monitor using HBNs and DAF values --- **Hoping to get input from Richard.**
6. Review of outline for guidance document for implementation of LEAF in policy decisions (Greg has 2013 funding for the guidance and is to send out the outline for review)
7. Other topics or upcoming mtgs?
8. 1st and 2nd ES&T papers submitted on 2/25/13
9. Greg is assisting Region 2 in their response to AES. Any additional needs from us in responding to AES comments?

Completed-
